

## JUST AI-BLOC EU - Judiciary Utilising Smart Technologies: AI and Blockchain for Optimised Compliance in the EU

EIPA Luxembourg – European Centre for Judges and Lawyers, in partnership with the Union Européenne des Huissiers de Justice (UEHJ), the Ecole de Formation Professionnelle des Avocats des Barreaux du ressort de la Cour d'appel de Paris (EFB), the National Institute of Justice (NIJ) Bulgaria, the Consejo General de la Abogacía Española (CGAE), and the National School of Judiciary and Public Prosecution in Poland (KSSIP), is implementing the project **"JUST AI-BLOC EU – Judiciary Utilising Smart Technologies: AI and Blockchain for Optimised Compliance in the EU."**

Detailed information about the project is available on the project webpage: <https://www.eipa.eu/services/just-ai-bloc-eu/>

The project is aimed at judges, prosecutors, lawyers, and judicial officers. The working language for all events will be English.

We have a limited number of seats available for the upcoming conference, **"AI and the Justice Sector in the EU Regulatory Landscape (I) – Civil Matters,"** which will take place in Luxembourg on **29–30 September 2026**.

**Onsite participation** is available at a registration fee of **€260**. This fee includes participation in the conference, a significant contribution towards travel, accommodation, and subsistence costs in accordance with the European Commission unit cost rules, as well as access to our Moodle platform, where all seminar materials will be available.

**Online participation** is free of charge and includes access to the live-streamed sessions, as well as our Moodle platform with all seminar materials.

Registration can be completed via the project webpage or directly through the following link: <https://eipa.questionpro.com/265700511REGISTRATION>
