ONLINE SEMINAR
for Judges
and Prosecutors

Public procurement law is undergoing profound transformation, driven by innovation, digitalisation, and increasing integrity requirements.

This online seminar will provide judges and prosecutors with practical insights into the evolving legal and operational framework of public procurement within the European Union.

Participants will explore the latest developments in procurement systems, digital tools, anti-corruption safeguards, judicial enforcement, CJEU case law and practical exercises, while engaging with leading experts and practitioners from EU institutions, academia, and national authorities.

TOPICS COVERED

- 01 EU Procurement Directives: from principles to practice
- 02 Dynamic Purchasing Systems & Innovative Procurement
- 03 Digital Procurement: Platforms, AI & Judicial Insights
- 04 Integrity, Anti-Corruption & Bid Rigging
- 05 Cross-border procurement challenges, judicial enforcement & CJEU case law
